

Calculation formula:

$$\text{sqft} = W_{ft} \times H_{ft}$$

$$\text{base per unit} = \text{sqft} \times \text{mesh rate}$$

$$\text{pole pockets per unit} = \begin{cases} (2 \times W_{ft} \times 1.00) + 10.00, & \text{if enabled} \\ 0, & \text{if disabled} \end{cases}$$

edge add-ons per unit

$$\begin{aligned} &= (\text{webbing? perimeter} \times 1.00: 0) + (\text{rope? perimeter} \times 1.00: 0) \\ &+ (\text{welding? } 0: 0) \end{aligned}$$

where

$$\text{perimeter} = 2(W_{ft} + H_{ft})$$

$$\text{price before rush} = \text{base} + \text{pole pockets} + \text{edge add-ons}$$

$$\text{rush surcharge per unit} = \begin{cases} \text{price before rush} \times 1.00, & \text{if rush on} \\ 0, & \text{if rush off} \end{cases}$$

$$\text{unit price} = \text{price before rush} + \text{rush surcharge}$$

$$\text{order total} = \text{unit price} \times \text{quantity}$$

Current mesh rates and add-ons:

- Mesh rate tiers by quantity:
 1. 1-999: \$2.44/sqft
 2. 1000-2499: \$1.49/sqft
 3. 2500-4999: \$1.09/sqft
 4. 5000+: \$0.99/sqftSource: [pricing.ts:158](#)
- Grommets: free
Source: [pricing.ts:196](#)
- Welding: free
Source: [pricing.ts:205](#)
- Webbing: \$1.00 per linear ft of perimeter
Source: [signcous-app/src/lib/pricing.ts](#)

- Rope: \$1.00 per linear ft of perimeter
Source: [pricing.ts:207](#)
- Pole pockets: \$1.00 per linear ft on top+bottom plus \$10 setup
Source: [pricing.ts:199](#)
- Rush: +100% surcharge (doubles price-before-rush)
Source: [pricing.ts:211](#)

Important note:

- This active mesh path does not apply a minimum-price floor. The \$15 minimum in the file is used in a different pricing function path.

Default on-page example right now (from defaults):

- Size: 48 in x 24 in, qty 1, grommets on, welding on, webbing off, rope off, pole pockets off, rush off
Defaults: [signcous-app/src/components/product-builder/VinylBannerBuilder.tsx](#), [signcous-app/src/components/product-builder/VinylBannerBuilder.tsx](#), [signcous-app/src/components/product-builder/VinylBannerBuilder.tsx](#), [signcous-app/src/components/product-builder/VinylBannerBuilder.tsx](#)
- Computation: $\$2.44 \times (4 \text{ ft} \times 2 \text{ ft}) = \19.52 per unit
- Total: \$19.52
